Soft Skills: Problem-Solving, Self-Learner, Leadership, Communication, Time Management

EXPERIENCE

Front-End Development Intern — ALO Infotech

June 2025 – July 2025

Nagercoil, Tamil Nadu

India

- Developed responsive front-end interfaces using HTML, CSS, JavaScript, and React.js, improving user experience for web applications.
- Designed and implemented the project website “*End Originator*”, focusing on usability, accessibility, and interactive UI components.

UI/UX Design Intern — AK Infopark

June 2025 – July 2025

Nagercoil, Tamil Nadu

India

- Designed high-fidelity UI prototypes for the food delivery application “*ZestO*” using Figma, improving user engagement and visual consistency.
- Created wireframes and design systems in Miro, ensuring scalable and responsive layouts for mobile platforms.

PROJECTS

ReMakersHub 🐙 | HTML, CSS, Bootstrap

August 2025

- Built a sustainable platform connecting households, artisans, and small businesses for eco-friendly product creation and exchange promoting a circular economy and environmental impact.
- Designed fully responsive web pages with Home, Sell/Buy, Cart, and Profile, ensuring usability across devices.

ConvoCraft 🐙 | HTML, CSS, Bootstrap, Flask, Groq API

October 2025

- Developed an AI chatbot using Groq Llama 3.1 for real-time, context-aware conversations with a Flask backend.
- Built a professional, fully responsive interface with Bootstrap featuring smooth chat flow, new-conversation reset, and enhanced user experience.

ACHIEVEMENTS

- Secured **School First in 10th and 12th grades**; awarded **NMMS** and **Pragati Scholarship** for academic excellence.
- Won **30+ prizes** in competitions including web designing, debugging, chatbot development, paper/poster presentations, and hackathons.
- Solved **200+ competitive coding problems** on platforms such as LeetCode, Hackerrank, Coding Ninjas, and GeeksforGeeks.

LEADERSHIP & POSITIONS

PALS Student Leader – IIT Alumni Initiative

2025 – Present

Lead and coordinate MinT-Athon events and workshops, managing student teams and organizing college-level technical initiatives.

Google Student Ambassador – Google

2025 – Present

Independently organized the Gemini WebX Workshop, managing registrations, creating banners, presentations, and promoting Google programs on campus.
